

In the Court of Appeals of the State of Alaska

Timothy Daniel Tanberg,
Appellant,

v.

State of Alaska,
Appellee.

Trial Court Case No. **4FA-16-00619CR**

Court of Appeals No. **A-13299**

Order

Motion to Stay Briefing and to Prepare
Supplemental Transcripts

Date of Order: **5/6/2020**

The Appellant, Timothy Daniel Tanberg, has filed a motion asking for the preparation of supplemental transcripts — that is, he is requesting transcriptions of two audio recordings that were played during the superior court proceedings. Mr. Tanberg’s attorney explains that when the transcript was prepared for this appeal, these audio recordings were not transcribed. This, however, is standard procedure under the Court System’s rules for transcription. That said, Mr. Tanberg’s attorney contends that these audio recordings were an integral part of the State’s case against Mr. Tanberg, and the two audio recordings that were played at trial — Exhibits 6 and 7 — are already lodged with this Court. Mr. Tanberg also requests that briefing schedule be stayed pending completion of the supplemental transcripts and that his opening brief be ordered due 30 days after completion.

The State has not filed an opposition to these motions.

Accordingly, **IT IS ORDERED:**

1. The motion for preparation of transcripts of the audio recordings played at trial — Exhibits 6 and 7 — is **GRANTED**. The exhibits will be transcribed at public expense. The Appellate Court Records Office shall inform this Court if the quality of either exhibit is too poor for that Office to prepare a viable transcript.

2. The motion that the briefing schedule be stayed pending completion of the supplemental transcripts is **GRANTED**. Mr. Tanberg's opening brief is due 30 days after completion the supplemental transcripts.
